**GLOBAL
LIVINGSTON
INSTITUTE**
LISTEN. THINK. ACT.

Each year, the Global Livingston Institute (GLI) brings students, community leaders, friends, and family together to celebrate the innovative and exciting ways in which people are *listening*, *thinking*, and *acting* in the United States, East Africa, and beyond!

When the realities of the COVID-19 pandemic became clear, we vowed not to wait for a return to normalcy. The world changed, and we adapted. As a result, our work became more focused, more efficient, and more informed. That's why when we – finally! – began our in-person programming again in 2022, we took the lessons learned from the past two years and have begun to implement our programs better than ever!

By the end of 2022, we will have listened, thought, and acted by:

- Engaging **more than 100 students and community leaders** in our in-person global classroom programs in Uganda and Rwanda.
- Continuing our virtual global classroom programming for more than **50 students** from over **10 different countries**.
- Providing free HIV testing for thousands of Ugandans and coordinating follow-up services for 202 HIV positive individuals. Reaching **1 million individuals** with HIV awareness messaging at our World AIDS Day concert in Uganda.
- Recycling **5 metric ton of plastic** from the environment each month at our recycling centers in southern and northern Uganda.
- Hosting our **8th annual women's leadership retreat** in Uganda and our **9th annual youth summit** in Uganda.

2022 Sponsorship Levels

Listen. Think. Act. Presenting Sponsor: \$35,000

In everything we do, GLI emphasizes the importance of dialogue, collaboration, and understanding. For this reason, we engage all of our partners, travelers, and scholars to adopt the Listen. Think. Act philosophy in programs with GLI. Together, we can bring people together on equal footing to create meaningful change!

Lake Bunyonyi Sponsor: \$25,000

The community around Lake Bunyonyi – where Entusi is located – has had a rough couple of years due to the lack of tourism in Uganda. We are working closely with our team to provide better access to education, public health, and recycling. Your support will help us continue – and strengthen – these programs through 2023.

Includes *8 invitations* to GLI's event in Denver, recognition as 2022 annual event sponsor, name and logo on GLI's social media channels and website.

Music & Public Health Sponsor: \$15,000

During COVID, we retooled our concerts and public health initiatives to focus on smaller, targeted outreaches. That approach has also allowed us to devote our time to provide follow-up services for those who need it most. Your support will help us provide 12-months of follow-up services for hundreds of patients in 2023.

Keep Bunyonyi Blue Sponsor: \$10,000

World AIDS Day Sponsor: \$5,000

Global Classroom Sponsor: \$2,500

That is about what it costs for us to engage one student in East Africa or the US in our virtual five-week community development fellowship as we teach best practices around what it truly means to Listen. Think. Act. We plan on offering opportunities for hundreds of students in 2022 to engage internationally!
