2023 Sponsorship Levels

Farewell To Our Founder Sponsor: \$50,000

15 years ago, Jamie Van Leeuwen founded the GLI with a mission to advance best practices in international community development. Since then, the organization has engaged thousands of students and faculty in this work, reached tens of thousands of individuals with free health services, and provided grassroots to community services in some of East Africa's hardest-to-reach places. With the organization well-prepared to thrive into its next phase of growth, Jamie is making way for a new leader to Listen. Think. and Act. with the GLI. Join us in celebrating Jamie for his extraordinary vision and leadership!
